

Connected with rubber – elastomers today and tomorrow

Warsaw, May 27-29, 2026

Second announcement

We cordially invite you to the 19th International Conference ELASTOMERS 2026.

The conference will present the results of the latest research, development trends, and practical technological solutions in the field of elastomers and rubber.

Organizer: Łukasiewicz Research Network – Institute of Polymer Materials

Co-organizer: Lodz University of Technology, Faculty of Chemistry,
Institute of Polymer and Dye Technology

Conference date:

May 27-29, 2026

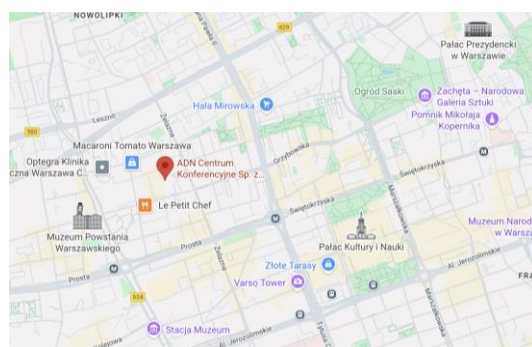

Conference venue:

ADN Conference Center in Warsaw, GH Building;
entrance B, 56 Grzybowska Street

Location:

The ADN Conference Center is located in the center of Warsaw, on the premises of Browary Warszawskie.

Its location provides access to numerous restaurants, hotels, and cultural facilities.

Access:

The facility is located:

- 800 m from the Rondo Daszyńskiego metro station
- 1.5 km from the Central Station
- 7.5 km from Chopin Airport
- 37 km from Warsaw-Modlin Airport

Conference topics

- Elastomers/rubber – Prospects – Innovations
- Physicochemistry and modification of elastomers
- Fillers – reinforcement and cross-linking
- Degradation and stabilization of elastomers
- Rubber and elastomer composites. Technological processes
- Testing of raw materials and rubber products
- Devulcanization and recycling of rubber waste
- Sustainable development of the rubber industry

Organizing Committee

Marlena Maślanka – Honorary Chairwoman

Monika Malesa – Chairwoman

Dates

- December 22, 2025 – registration opening
- January 31, 2026 – registration with presentation
- February 28, 2026 – submission of abstracts
- March 31, 2026 – registration without presentation
- April 10, 2026 – payment of conference fee

Conference fee

- 360 € + 23% VAT – standard fee
- 320 € + 23% VAT – fee for students and doctoral students

The conference fee covers participation in the conference, conference materials, meals, and participation in the gala dinner. Funding from the Ministry of Science and Higher Education under the Science Vectors Program partially covers the costs of participation in the conference.

Registration and abstract submission

The registration form, abstract template, and detailed guidelines for preparation and formatting are available on the conference website.

Forms of presentation

- Plenary lecture – 45 min
- Presentation – 20-30 min
- Communication – 10-15 min
- Poster – 70×100 cm
- Language: Polish and/or English (simultaneous translation)

Conference schedule
